Denver, CO - April 4

Chicago, IL - April 25

St. Louis, MO - May 16

TRAINING WORKSHOPS - WHAT PEOPLE ARE SAYING

"We integrated Document Plus in my clinic in June of this year and are very pleased. The individualized attention at the Philadelphia training session has allowed us to easily customize the system to fit our specific techniques and exam procedures. We appreciate the personalized training and attention and a support staff that has been priceless in streamlining our documentation needs."

- Dr. David W. Armor, Scottsdale, PA

"This seminar was the most helpful seminar that I have taken this year. The Medicare information alone made it worthwhile; plus I get \$250 credit for forms. This is a great way to get training and free forms. Thank You."

- Dr. Brad Brown, Red Oak, TX

"GREAT! I am so glad I came. You gave me a million dollars worth of information!"

- Dr. Kimberly Beith, Chicago, IL

TESTIMONIALS

"We couldn't run our office without Document Plus. I highly recommend this system."

- Dr. Michael Precure
Alamogordo, NM

"I've been using Document Plus in my office for 6 years. It is unquestionably one of the best things I have done in my practice. It has been the catalyst for our practice becoming more streamlined and has been directly responsible for a significant reduction in human error and employee man hours. I highly recommend it."

- Dr. John S. Parker
Irving, TX

The Document Plus EMR system made it easier when 50 new patients were referred to my office from a pain clinic in a single day. Thanks to your system and the quality of reports we send out, patients, attorneys, and medical doctors all refer.

- Dr. Royce Jones
Gadsden, AL

OUTCOMES ASSESSMENT QUESTIONNAIRES JUSTIFYING MEDICAL NECESSITY

INSERT X-RAY IMAGES INTO YOUR REPORTS

With our Radiographic (RD2) form you have the ability to insert X-Ray images right into your reports and narratives.

With a digital camera, you can photograph your X-Ray images while they are up on your view box, then transfer them to your computer as you would any other image. By marking the "Include Images" bubble on your form, you are indicating that there are images associated with this form and the system will prompt you to locate those images at that time.

Click on the link below to view detailed instructions.

[RD2 Instructions](#)

Purchase 1 pack of Radiographic (RD2) forms and receive **FREE SHIPPING** on your entire order. Offer good between December 1st and December 31st

TECHNICAL INFORMATION

You could currently have a Practice Management system that interfaces with Document Plus.
