TRAINING WORKSHOPS - WHAT PEOPLE ARE SAYING

"We integrated Document Plus in my clinic in June of this year and are very pleased. The individualized attention at the Philadelphia training session has allowed us to easily customize the system to fit our specific techniques and exam procedures. We appreciate the personalized training and attention and a support staff that has been priceless in streamlining our documentation needs."

- Dr. David W. Arner, Scarsdale, PA

"This seminar was the most helpful seminar that I have taken this year. The Medicare information alone made it worthwhile; plus I got \$250 credit for forms. This is a great way to get training and free forms. Thank You."

- Dr. Brad Brown, Red Oak, TX

"GREAT! I am so glad I came. You gave me a million dollars worth of information!"

- Dr. Kimberly Beck, Chicago, IL

TESTIMONIALS

"We couldn't run our office without Document Plus. I highly recommend this system."

- Dr. Michael Pecore
Alamogordo, NM

"I've been using Document Plus in my office for 6 years. It is unquestionably one of the best things I have done in my practice. It has been the catalyst for our practice becoming more streamlined and has been directly responsible for a significant reduction in human error and employee man hours. I highly recommend it."

- Dr. John S. Parker
Irving, TX

The Document Plus EMR system made it easier when 50 new patients were referred to my office from a pain clinic in a single day. Thanks to your system and the quality of reports we send out, patients, attorneys, and medical doctors all relax.

- Dr. Royce Jones
Gadsden, AL
